

## ORDER FORM

### Having a healthy Baby DVD (39 minutes – English)

This DVD explains the importance of planning a pregnancy for women with diabetes. The DVD offers two menu options: type 1 diabetes and type 2 diabetes. For each menu option, there are stories from women with diabetes who are planning a pregnancy, are pregnant or who have already had healthy babies, as well as comments from health professionals.

To request a free copy of the resource, please complete the form below and return either by post/fax/email:
