

# Be part of an online research trial

**Do you have Type 1 Diabetes?  
Are you aged 16 to 25?**

The Black Dog Institute is currently looking for young people with type 1 diabetes, to help us find the right way to offer emotional support. We're researching an online self-help program that can be accessed 24/7 on your computer, tablet, or smartphone.

**For full details visit <https://fido.ehat.com.au> or contact Veronica at [mycompass@blackdog.org.au](mailto:mycompass@blackdog.org.au)**

If you take part, you will go into a draw for an iPad.

This study has been approved by St Vincent's Hospital HREC reference number: HREC/14/SVH/31.
